

WELCOME TO AUDIO 4 DJ!

Thank you very much for choosing AUDIO 4 DJ! This document will guide you to sources of information and support that will help you to get the best out of your Native Instruments product.

ADDITIONAL DOCUMENTATION

For detailed information about setting up and using AUDIO 4 DJ, please refer to the corresponding Getting Started manual included in the product package. A PDF file version of the full user manual has been copied to your hard disk as part of the product installation. Unless otherwise specified, the folder containing the appropriate PDF files is located here:

Windows

C:\Program Files\Native Instruments\Audio 4 DJ\Documentation

Mac OS X

Macintosh HD/Applications/Native Instruments/Audio 4 DJ/Documentation

To find out more about recent changes and additions, please read the Readme.txt file placed in your AUDIO 4 DJ installation folder.

SOFTWARE UPDATES

The software required for operating the AUDIO 4 DJ is constantly being improved. Please make sure that you are always using the latest versions of the hardware driver and Settings Tool software, which are available as a free download in the [Updates section on the Native Instruments website](#).

SUPPORT

If you are experiencing problems related to your Native Instruments product that the supplied documentation does not cover, there are several ways of getting help:

- ▶ If problems occur during the product activation procedure, please contact our Registration Support Team via the [Registration Support Form](#).
- ▶ As a registered user, you can access the [NI Knowledge Base](#) that contains helpful product-specific information.
- ▶ If the hints given there do not help you solve the problems, you can contact our Technical Support Team via the [Technical Support Form](#).
